

Ucluelet Secondary School Tour

A stylized, grayscale illustration of a school hallway. Several figures are shown in motion, walking along the corridor. The figures are simplified, with some carrying bags or books. The hallway has lockers on the right and doors on the left, creating a sense of depth and activity.

**Are you a parent of a new student at USS?
Are you a parent of a returning student at USS?**

*The Ucluelet Secondary School Parent Advisory Council
invites all parents/guardians of students registered at USS
to tour the school and to visit with other parents
who are new to USS or have been around for a few years.*
